

Signs of Angels

We all love to read stories about those everyday angels that show up just to help us through the terrible times and also the unseen spirit ones that guide us through life. In this book our readers give us their accounts of their dealings with these special angels. Stories include: Angel At The Wheel Kissed By An Angel Angel In Disguise An Angels Visit When an Angel Whispers. . . Under My Angels Wings And more. Excerpt: I brushed the snow off my jacket, stomped my boots, and grabbed a cart so that I wouldnt look obvious. I snatched a weekly flyer and walked over to the Adopt An Angel Christmas tree. I knew exactly where Bennys tag hung. No one had picked my guys wish list yet. It had been hanging there for two weeks. I sighed. What happens to the kids whose lists dont get chosen? My heart hurt just thinking about it.
