

Blackout

Homeland meets Marie Lus Legend in Blackout, which #1 New York Times bestselling author Ally Condie called a thrilling combination of Wells trademark twists and terror. Fantastic! Laura and Alec are highly trained teenage terrorists. Jack and Aubrey are small-town high school students. There was no reason for their paths ever to cross. But now a mysterious virus is spreading throughout America, infecting teenagers with impossible superpowers and all teens are being rounded up, dragged to government testing facilities, and drafted into the army to fight terrorism. Suddenly, Jack, Laura, Aubrey, and Alec find their lives intertwined in a complex web of deception, loyalty, and catastrophic danger where one wrong choice could trigger an explosion that ends it all.
