

Brysons Dictionary of Troublesome Words-A Writers Guide to Getting It Right (Chinese Edition)

This is a reference book combining with suggestions, observations, and even some valuable preference. If you want to use the word, fulsome to express some meanings of lavish, then you can do it and also you can find some evidences in writings of some other famous writers. But in fact, such usage cannot be called good English. This book is aimed to provide you with the English expressions that agreed and used by most people (if it is possible).
