AUTHOR BIO: A collector since childhood, Gene Florence's hobby of buying and selling glassware turned into a full-time career. First writing a book on Depression Glass, Florence has gone on to author many popular glassware titles including books on Depression Glass; Occupied Japan Collectibles; Kitchen Glassware; Very Rare Glassware; 40s, 50s, & 60s Glassware; Elegant Glassware; Stemware; Glassware Pattern Identification; Anchor Hockings Fire-King; Glass Candlesticks; and Salt & Pepper Shakers. REVIEW: Written by America's top authority on Depression glass, this book features the handmade and acid-etched glassware that was sold in department and jewelry stores from the Depression era through the 1950s, not the dime store give-away glass known as Depression glass. Gene Florence has added many new finds, as always, once again making this one of Collector Books' bestselling glassware titles. -John Alvey
