

## Jerry Bakers Old-Time Gardening Wisdom: Lessons Learned from Grandma Putts Kitchen Cupboard, Medicine Cabinet, and Garden Shed! (Jerry Bakers Good Gardening series)

Hundreds of time-tested secrets of Jerry Bakers Grandma Putt fill this volume of gardening know-how and old time wit. Emphasizing values of ingenuity and old-fashioned grow-how, the guide starts with the soil to build a great garden from the ground up, with healthy trees, hearty veggies, and bright blooms. The advice ranges from how to double the output of a strawberry plot and quash weeds using other yard waste to growing the richest roses in the neighborhood. In addition to tips and tricks for the outdoors, a handful of home health remedies are included, such as soothing a sunburn with garlic or tending to a nagging cough with things from the garden. Grandma Putts techniques even take readers into the kitchen, with chapters on edible weeds and flowers as well as canning and storing the harvest for winter.
