

How To Execute An Interview: Get the job over your competition!

Every time I drive down to Tempe I see the ASU billboard bragging about how they have one of the highest entrepreneur rates out of any university in the country. I laugh because I know that's not by choice, the graduates can't find jobs! This is true among most universities; meaning, unless you graduated from an ivy league school you're going to have a hard time finding a job. Instead of trying to find a job, why don't you compete for the top jobs available. In this book I go over methods that will get you the best jobs possible. I've employed dozens of new graduates and have interviewed hundreds. I will give you the best tactics to impress me and other like-minded employers.
