

## Love and Sex Under the Stars: Use Astrology and the Planets Venus and Mars to Make Your Love Life Everything You Want It to Be: Venus And Mars, the Planets of Love and Sex

This is your chance to understand your own heart, and the needs and desires of those you love best. The planets Venus and Mars are the source of everything romantic and sexy about you. In this newly updated and expanded version of her first, best-selling astrology book, internationally acclaimed astrologer Nancy Frederick concentrates on Venus and Mars, the planets of love and sex, and gives detailed information about both planets in every sign. In addition, there are in-depth delineations of all the 144 Venus-Mars combinations. You need to have no prior knowledge of astrology to understand and benefit from the information in this book. Nancy Frederick shows you how to locate the exact position of Venus and Mars at your birth in the easy-to-navigate charts right here in this book. If you know your birthday, you can instantly look up your Venus and Mars right here. Then she tells you what the planets reveal. To know the secrets of your lovestyle, all you need to know is your birthday! And the same goes for that special someone who's caught your eye. In this fascinating guide to the planets that rule the heart and the sensual passions, Nancy Frederick shows you how to discover your own romantic and sexual requirements: Find out if the lover who turns you on today is the one who will bring you happiness tomorrow and forever after; Look into the heart of a potential partner; Please your partner--and yourself; Liberate your sensual self. Love and Sex Under the Stars is an in-depth guide to your personal lovestyle and the key to the romantic needs and desires of everyone you meet.
