

Messages from God

Dorothy Maclean is the sole-surviving co-founder of the Findhorn Community, where she lived from its beginnings in November 1962 until 1973. She returned to the Community to live in 2009 and is a source of joy and inspiration to many people. Still active at 92, her strength and determination to follow a path of love and service to God makes a deep impression on all who meet her. We are delighted to publish these Messages from God, messages that Dorothy received prior to her contacting the Devic Kingdom. She is very clear that, to connect with the Angelic and nature kingdoms, you must first connect with God. It is Dorothy's hope and wish that these messages will touch you as they touched her when she first received them. Beautifully illustrated with line drawings by Harley Miller.
