

New Zealand, North Island

This comprehensively indexed map is presented with clear cartographic design. At a scale of 1:800,000 it is ideal for planning and touring. The hill shading and coloured height layering gives a good representation of the surrounding topography and areas of interest. Walking tracks, themed routes, population breakdown and points of interest all add detail to present an overall picture of this very scenic island. Contains city maps of Wellington and Central Auckland, each with a street index. The legend is shown in English, German, French and Spanish. This map will stand up to the rigors of touring being both waterproof and rip-proof.
