

Yemaya es Orisha mayor, madre de la vida y duena de las aguas. El tarot de Yemaya supone un acercamiento a una de las practicas mas antiguas: el espiritismo. En este libro se muestra la realidad de la santeria y se ofrece al lector la posibilidad de adentrarse en el significado de cada uno de sus simbolos, el modo de tirar las cartas y las oraciones que componen el ritual que envuelve una consulta de tarot. Solo mediante el conocimiento y entendimiento de los naipes debidamente consagrados obtenemos las respuestas de los Eggun y Orishas. Yo te ensenare a caminar, pero solo tu eliges el camino, dice el autor. / Yemaya is one of the most powerful orishas in Santeria. She is the mother of all living things, rules over motherhood and owns all the waters of the Earth. This book dispels the myths that surround Santeria and brings readers to a better understanding of their symbols, prayers and rituals.
