

HOW OUR ANCESTORS LIVED: A History of Life 100 Years Ago

The year 1901 was a momentous one in British history and the release this year of the 1901 Census documents will provide both historians and general readers with a fascinating look into a bygone era. An expert text, photographs, and graphic art cover family life, mobility, housing, work, education, religion, leisure, and military service as they were in 1901. The 1901 Census covered the entire British Isles and will be particularly useful for some of the remoter areas of Scotland and Ireland.?
