

Sports Astrology

There are many methods of predicting sports results with astrology. Here are some that work. Journey with a student as he makes his voyage towards knowledge at the feet of a Master Astrologer. With the assistance of his pet raven and a bad-tempered yak, the Master leads him - and you - step by step through the analysis of over 60 charts, covering a wide range of sports. This detailed engagement with the practice of chart judgement is unique in astrological writing, making this book invaluable not only to sports fans, but to anyone with an interest in predictive astrology.
