

Sushi Etiquette: The guide for those who wish to eat sushi properly and avoid insulting the chef

Many will judge you based on your table manners alone. This is especially true with very specific etiquette, such as Sushi Etiquette. Thus, it does seem prudent to possess the very best manners possible.

In Sushi Etiquette: The guide for those who wish to eat sushi properly and avoid insulting the chef, etiquette consultant Rebecca Black, covers all the etiquette you will need to feel comfortable eating sushi out, including chopstick etiquette.

Author, Rebecca Black of Etiquette Now! has taught countless etiquette and life skills workshops. Now you can have this same advice and life skills in the palm of your hand without spending hundreds of dollars to attend one of her workshops.
