

## The Cosmic Order of Reincarnation: Fearless Bible

Discover the Cosmic Order and Four Elements that Will Change Your Outlook on Everything What really happens after we die? What are the mechanisms that give us birth? Do we really have a soul? What is it? Such questions have kept philosophers, religious leaders, and mystics busy for millennia. Now, the author and philosopher KhunShweThike sheds new light on these and other inquiries in The Cosmic Order of Reincarnation: Fearless Bible. In this breakthrough book, youll discover the surprising truth about reincarnation and how it works. While most explanations of this phenomena focus on the effect of past lives on the present, The Cosmic Order of Reincarnation powerfully argues that what befalls us in this life is completely unrelated to the past. And that revelation has important ramifications for how we live our lives. Youll also learn: How other cultures share and differ in their understanding of death and rebirth The importance of the Five Laws of Cosmic Order The meaning of the Four Ultimate Realities and how it impacts your life Why certain tragedies and hardships affect us in this life, and what we can do to stop them from happening How such understanding and realization can and will contribute to increased peace and understanding the world over The Cosmic Order of Reincarnation: Fearless Bible is perfect for anyone interested in philosophy, death, healing, or self-improvement.
