

The Encyclopedia Of Origami: The Complete, Fully Illustrated Guide to the Folded Paper Arts

The infinite possibilities of paper folding inspired origami, a simple, traditional craft that appeals to both children and adults. This comprehensive guide to the materials, tools, techniques, symbols and skills behind the Japanese art of folding paper into wondrous shapes is illustrated with refreshingly simple step-by-step diagrams. Crafters of all ages can quickly learn to create the basic folds, from the beginners box glider and fish to such advanced projects as Green Man and murex shell. THE ENCYCLOPEDIA OF ORIGAMI also takes readers on a whirlwind tour of the finest origami models being made around the world today.
